Ever wondered why the cost of everyday items jumps from ₹1,000 to ₹1,300 in just a month? It all comes down to inflation, demand-supply shifts, fuel prices, and production costs—where falling purchasing power directly impacts our lives. But recognizing these economic shifts is only the first step; the real... more

About

I am driven by curiosity and a desire to explore how technology can solve real-world problems. I enjoy learning new things, exploring ideas, and challenging myself to grow. As a Computer Science Engineering student, I am building my programming skills and strengthening my foundation in computer science. I am eager to ga... more
